

RIVENDELL SCHOOL

August 26, 2019

Dear Neighbors,

We look forward to the coming school year and hope this summer has been a good one for each of you. Rivendell School is grateful to be part of your neighborhood and as such, we work to limit any negative impact to you. We ask our parents to drive courteously and to be mindful of our neighbors.

Our students return on September 4, so please know there will be increased traffic that day as our new and returning families begin our drop-off and pick-up routines.

This school year our construction continues, and we hope to mitigate negative impacts to the neighborhood. We ask for your patience with additional construction traffic. If there are out-of-the-ordinary difficulties, please let us know.

Because of limited space in our current building, some of our largest events will be held off-site this school year. We will have a few school events on site that will result in additional parking near the school.

Tuesday evening, September 17

Thursday evening, October 17

Thursday afternoon, October 24

Thursday evening, February 27

Friday afternoon, May 22

One of our parents, Chris MacBride, is our Community Liaison. You may contact her at 703-241-2984 if you have any questions or concerns. We hope you and your families have a good start to the new school season.

Sincerely,

Byron List, Headmaster
For the Rivendell School Community
