New Farmers Market in Arlington Ready to Launch

The April meeting of the civic association will focus on the upcoming opening of a farmers market in our corner of the County. Local market enthusiasts have been working for over a year to gain approval for the market. The original plan was to have the market on Sunday mornings on the plaza in front of the Westover Library and Reed School. Come learn how that plan has evolved and what the pending market will be like. What impact will it have, if any, on the businesses and residents close by? The market hopes to open in May.

34th Annual Yard Sale June 2

The 34th annual Leeway Overlee Community Day and Yard Sale will take place along the John Marshall Drive/Ohio Street greenway on Saturday, June 2nd from 9 a.m. until 1 p.m. The community will be out in force to exchange information and greetings, sell unneeded household items, and pick up a few bargains. The civic association plans to arrange live music for the event as in past years. The sale will be advertised in *The Washington Post* and other media. Rain date for the sale is Saturday, June 9th.

Over 100 families set up tables for the festivities, which take place along the six-block stretch of the greenway between Lee Highway and Washington Boulevard. Vehicle traffic will be restricted on the affected parts of N. Ohio Street during the greenway activities. Residents who have not sold in the past are encouraged to set up between Lee Highway and N. 22nd Road where it is less crowded. Please show consideration to nearby residents and do not set up before 7:00 a.m.

During the event a civic association representative will come by to collect \$5.00 from each seller to help defray the costs of the advertisement and the entertainment. Be considerate of neighborhood residents when parking for the yard sale and be sure to remove all goods and rubbish from the greenway by 1 p.m. Please leave your dogs at home. Pets can cause problems to shoppers. Those planning to sell prepared food must check with the County public health office (703-228-5675) and be appropriately licensed to do so.

Make THIS your annual selling event! For more information on the yard sale, call the Schneiders at 703-533-0748 or the Swenneses at 703-532-6101.

Nominating Committee Seeks Officer Candidates

Pierre Boyer and Chips Johnson will serve as this year's Nominating Committee to recommend individuals to serve as Leeway Overlee Civic Association officers and to fill other key positions. If you are new to the community—or a long-time resident—and interested in maintaining the quality of life in our neighborhood, consider serving.

The election of officers will be held at the June meeting of the association. A list of officer positions is on this page of the newsletter. At the June meeting, the community will also select its representatives to the Neighborhood Conservation Advisory Committee and delegates to the Arlington County Civic Federation. If interested in any of these positions, please contact Pierre (703-532-1868) or Chips (703-532-5831).

Reed Property Unlikely To Be Part of School Capacity Expansion

The Arlington School Board appeared to downplay the Reed property as an option for a new school construction in the first five years of its Capital Improvement Program at its March 22 work session. Reed had been included in two of the four development "option sets" that Arlington Public School (APS) staff prepared for the school board. The sets were combinations of possible renovation, additions, and new schools. Staff sought board guidance in refining and narrowing options for funding and construction to address school overcrowding. Further information on the APS initiative can be found on the APS homepage at the More Seats for Students discussion, or at: www.apsva.us/capacity.

At the work session, the board recommended that staff further study a single option, which didn't include Reed. The option includes a new neighborhood school at Williamsburg Middle School and a new choice school at Carlin Springs Elementary School/Kenmore Middle School. It also includes classroom additions at McKinley, Arlington Traditional, and Ashlawn Elementary Schools. Staff was also asked to develop a project at the Madison site as an addition to this option. The favored option is expected to offer flexibility for both short and long-term capacity gains and could better distribute additional classroom capacity county-wide. The School Board established \$125M as a maximum for the revised project.

The current Reed facility includes the Westover branch library, The Children's School (a non-profit preschool created to provide about 80% of its 100 child preschool enrollment to APS employees), Integration Station (an APS program for special needs preschoolers), and the Teen Parenting program (addresses the needs of high school parents with newborns).

Since last fall, APS staff has been considering three possible options for the Reed property. They were: 1) building a new, free-standing 600-student elementary school, apart from the present building; 2) relocating the non-library uses from the building and adding a second floor above the present Children's School and renovating the space for classroom use; and 3) expanding the second option into a new elementary school by further adding a gym, cafeteria, library and other program and support facilities to the rear of the present building.

Some area residents are relieved and others disappointed by the apparent removal of the Reed property from the likely options to solve the overcrowding issue in the schools over the next five years. The former Reed Elementary School closed in the early eighties because of declining school enrollment, and some saw the prospect of a new Reed neighborhood school as an attractive option. Others opposed a renovation of the popular, recently-completed facility. Concerns included potential negative impacts to open space, recreation, traffic, parking, and Westover businesses.

Community Notes

Thanks to Volunteer Snowmen

We didn't have a crippling snowstorm this past winter, but a dozen volunteers were ready with County-supplied snow blowers to help clean neighborhood sidewalks within Leeway Overlee if a big storm had hit Arlington. Thank you!

Mulch for Sale

The Yorktown High School Boys Lacrosse Team is selling shredded hardwood mulch delivered to Arlington homes on April 14th. Mulch comes in 3-cubic-foot bags for \$4.95/ bag. Delivery is free and guaranteed for prepaid orders received by April 5th for 10 or more bags. Join forces with a neighbor if you need fewer bags. Team members will stack the bags on delivery. Order forms and additional details can be found on the Yorktown Lacrosse website www.yhspatriotlacrosse.com.

Westover Farmers Market Volunteers to Meet

Interested in helping launch and sustain the new farmers market in our neighborhood? Additional volunteer support is needed. A volunteer gathering will be held in the Westover Library meeting room on Tuesday, May 1st at 7:30 p.m. to discuss how people in the community can help. Have questions before then? Send them to westoverfarmersmarket@hotmail.com.

Backup Neighborhood Conservation Project Selected

At the January Leeway Overlee Civic Association meeting, a short but critical block on N. 22nd Street, between N. Lexington and N. Kentucky Streets, was selected by the neighborhood as a future project for capital improvement.
